SOFTWARE DEVELOPMENT ENGINEER

Python | SQL | Front End Development

Seeking a software developer position with a competitive package, leveraging my skills in Python, SQL, and Frontend development. Currently pursuing a Bachelor of Technology at Parul University, I possess a strong foundation in computer science and a passion for problem-solving. I am eager to apply my knowledge to real-world challenges and continue learning from experienced professionals in the field. Let's connect and explore potential collaborations in the dynamic realm of software development.

EXPERIENCE

Web Development and Designing Intern – Oasis Infobyte

Sep 2023 - Oct 2023

During my internship at Oasis Infobyte, I successfully completed Level 1 Certification in web development. Throughout this period, I gained substantial proficiency in front-end web development, mastering essential techniques and technologies that are pivotal in creating and designing user-friendly websites.
